All Judith can do is silently pour out her thoughts and feelings to the love of her life, the boy who's owned her heart

as long as she can remember - even if he doesn't know it - her childhood friend, Lucas. But when Roswell Station is attacked by enemies, long-buried secrets come to light . . . and Judith's world starts to shift on its axis. Before she knows it, Judith is forced to choose: continue to live in silence, or recover her voice, even if what she has to say might change her world, and the lives around her, forever. **Finding Me** Apr 02 2023 A FREE Romantic Women's Fiction Novel. Talking to Me Aug 14 2021

Through the stories of kids and parents in the middle school trenches, a New York Times bestselling author reveals why these years are so painful, how parents unwittingly make them worse, and what we all need to do to grow up. "As the parent of a middle schooler, I felt as if Judith Warner had peered into

my life—and the lives of many of my patients. This is a gift to our kids and their future selves."—Lori Gottlieb, author of *Maybe You Should Talk to Someone* The French have a name for the uniquely hellish years between elementary school and high school: *l'âge ingrat*, or "the ugly age." Characterized by a perfect storm of developmental changes—physical, psychological, and social—the middle school years are a time of great distress for children and parents alike, marked by hurt, isolation, exclusion, competition, anxiety, and often outright cruelty. Some of this is inevitable; there are intrinsic challenges to early

adolescence. But these years are harder than they need to be, and Judith Warner believes that adults are complicit. With deep insight and compassion, Warner walks us through a new understanding of the role that middle school plays in all our lives. She argues that today's helicopter parents are overly concerned with status and achievement—in some ways a residual effect of their own middle school experiences—and that this worsens the self-consciousness, self-absorption, and social "sorting" so typical of early adolescence. Tracing a century of research on middle childhood and bringing together the voices of social

scientists, psychologists, educators, and parents, Warner's book shows how adults can be moral role models for children, making them more empathetic, caring, and resilient. She encourages us to start treating middle schoolers as the complex people they are, holding them to high standards of kindness, and helping them see one another as more than "jocks and mean girls, nerds and sluts." Part cultural critique and part call to action, this essential book unpacks one of life's most formative periods and shows how we can help our children not only survive it but thrive.

[Love Me, Feed Me](#) Mar 01

2023 From the esteemed food editor and author Judith Jones, a charming, practical guide to

sharing the pleasures of home cooking with your dog. Doesn't man's best friend deserve a little more than cardboard-dry kibble day in and day out? Judith Jones thinks so, and in this delightful new cookbook she offers up more than fifty home-cooked recipes, both time efficient and finance friendly—among them Salmon Cakes, Wild Mushroom Risotto, and Shepherd's Pie—that she's loved and shared with her own canines. Jones explains the nutritional benefits of substituting, or supplementing, store-bought food with a diet of fresh, home-prepared ingredients. She offers helpful extras like advice on portion size, what to do with scraps,

and the latest research on controversial ingredients such as garlic (newly vindicated), ginger (use sparingly), and eggplant (an acquired taste, but scrape out the seeds). Though many of the recipes are simple to prepare, using basic techniques and ingredients home cooks are likely to have on hand, Jones never compromises flavor or variety; when a full recipe—her mouth-watering Moussaka, for instance—is too complex for a dog's palate or digestive health, Jones gives detailed instructions on how to modify your pet's share. Jones balances her recipes, tips, and techniques with endearing accounts of life with her own

dogs, including her very first, a Scottish terrier; a poodle who charmed a French chef into serving up a haute-cuisine feast gratis; and her current Havanese pup, Mabon, who occasionally contributes his own two cents within these pages. She also includes the thoughts of some of her canine- and food-loving friends, Jacques Pépin and M. F. K. Fisher among them. With *Love Me, Feed Me* to guide you, planning what to put in your dog's bowl becomes a natural part of deciding what to put on your own table, and your dog will savor mealtimes all the more because of it. Filled with the practical wisdom and verve of a master home cook and

lifetime dog lover, *Love Me, Feed Me* can only lead to a happier, healthier dog. *Tender Triumph* Feb 05 2021 Discover the sensual and sweeping power of love in this story of new beginnings and uncertain endings by Judith McNaught—the New York Times bestselling author that USA TODAY raves “is in a class by herself.” On Friday, a sensuous stranger enters Katie's life. [Rock Me Gently](#) Jul 13 2021 In the 1950s, shortly after her father's death, Judith Kelly was left in the care of nuns at a Catholic orphanage while her mother searched for a place for them to live. She was eight years old. But far from being cared for, Judith found herself in a savage and terrifying institution where physical, emotional and sexual abuse

was the daily norm and the children's lives were reduced to stark survival. As the months became years and no word came from her mother, she sought comfort from the girls around her, and especially the

bright, angel-voiced Frances. When a tragic accident robbed Judith of her dearest friend, the memories were too traumatic to confront. It was not until years later, on a Kibbutz in Israel, that a friendship with an elderly Holocaust survivor gave

Judith the strength to revisit her past - and the orphanage of her broken childhood.
